DOMINION ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 11th day of March, 1911.

PRESENT:

HIS EXCELLENCY IN COUNCIL.

P. C. No. 417.

HIS Excellency in Council is pleased to order, and it is hereby ordered as follows:—

Sections 7 and 8 of the regulations for the disposal of petroleum and natural-gas rights, the property of the Crown, established by the Order in Council of the 11th day of March, 1910, are hereby rescinded, and the following substituted therefor:—

"7. Application for a location situated in unsurveyed territory shall contain a description by metes and bounds of the location applied for, and shall be accompanied by a plan showing the position of such location in its relation to some prominent topographical feature or other known point. The plan shall contain sufficient data to admit of the position of the location applied for being definitely shown in the records of the Department. The location must be rectangular in form, except where a boundary of a previously located tract is adopted, as common to both locations, the length not to exceed three times the breadth.

"The application shall be accompanied by evidence, supported by affidavit of the locator, to show that the following requirements have been fully complied with:—

"(a.) That the location applied for has been defined on the ground by the locator in person by planting two wooden posts, at least four inches square, and standing not less than four feet above

the ground, such posts being numbered '1' and '2' respectively. The distance between post No. '1' and post No. '2' shall not exceed 15,840 feet, and upon each post shall be inscribed the name of the locator and the date of the location. Upon post No. '1' there shall be written, in addition to the foregoing, the words 'initial post,' the approximate compass bearing of the post No. '2,' and a statement of the number of feet lying to the right and to the left of the line between post No. '1' and post No. '2.'

"Thus—(Initial post, direction of post No. '2' is feet lie to the right and feet to the left of the line between post No. '1' and post No. '2'.)

"When the tract which an applicant desires to lease has been located, he shall immediately mark the line between post No. '1' and post No. '2' so that it can be distinctly seen, in a timbered locality, by blazing trees and cutting underbrush, and in a locality where there is neither timber nor underbrush he shall set posts of the above dimensions or erect mounds of earth or rock not less than two feet high and two feet in diameter at the base in such a manner that the line may be distinctly seen.

"(b.) All the particulars required to be inscribed on posts No. '1' and No. '2' shall be set out in the application, and shall be accompanied by a plan showing the position of the tract in its relation to some prominent topographical feature or other known point, such plan to contain sufficient data to admit of the location being shown definitely on the record of the Department.

"(c.) The locator shall post a written or printed notice on a conspicuous part of the location applied for, setting out his intention to apply within thirty days from the date of such notice for a lease of the petroleum and natural-gas rights under the said location.

"(d.) The application shall be accompanied by evidence, supported by the affidavit of the locator, in due form, to show that the above requirements of the regulations have been fully complied with.

"8. In case the tract applied for is located in unsurveyed territory on the margin of a river or lake, it shall not include more than one mile in direct distance along such water-frontage, and shall extend back therefrom as far as may be necessary to include a total area of not more than 1,920 acres, the length of the location, however, not to exceed three miles. The tract shall be marked on the ground by two legal posts firmly fixed in the ground, one at each end of such front boundary. The posts shall be numbered '1' and '2' respectively. It shall not be lawful to move post No. '1,' but post No. '2' may be moved by a Dominion land surveyor if the distance between the posts exceeds the length prescribed by these regulations, but not otherwise. The side boundaries shall be parallel lines drawn from each end of the front boundary at right angles to the base-line of such river or lake, established or to be established by the Department. In the event of the base-line not being established, the side boundaries of the location shall be drawn at right angles to the general direction of the valley of the river or the margin of the lake. The required notice of application shall be posted conspicuously on the location near the margin of the lake or river on which it fronts.

"The boundaries of claims situated on the margin of a lake or river, and any disputes which may arise in connection therewith shall be subject to final adjustment by the Minister."

The regulations for the disposal of petroleum and natural-gas rights, the property of the Crown, as established by the Order in Council of the 11th March, 1910, are hereby extended and applied to lands included in the Railway Belt in the Province of British Columbia, and to lands situated within the tract containing three and one-half million (3,500,000) acres acquired by the Dominion Government from the Province of British Columbia and referred to in subsection (b) of Section 3 of "The Dominion Lands Act."

CORPORATION OF THE MUNICIPALITY OF MATSQUI.

A By-law authorising the Corporation of the Municipality of Matsqui to borrow the Sum of \$6,000 in anticipation of the Receipt of its Revenue for the Year 1911.

WHEREAS, by virtue of the "Municipal Clauses Act," every municipality may, under the conditions therein contained, borrow from any person such sum of money not exceeding an amount equal to the total amount of taxes upon land or real property as shown by the revised assessment roll of the municipality for the preceding year, and bearing such rate of interest as may be requisite, to meet the current legal expenditure of the Corporation which becomes payable out of the annual revenue before the revenue for the year becomes payable by the taxpayers:

And whereas the total amount of taxes upon land or real property of the Corporation of the Municipality of Matsqui for the year 1910 was \$14,000:

And whereas, to meet the current legal expenditure of the Corporation which becomes payable out of the annual revenue before the revenue for the year becomes payable by the taxpayers, it is requisite for the said Corporation to borrow a sum not exceeding \$6,000:

Therefore the Municipal Council of the Corporation of the Municipality of Matsqui enacts as follows:—

1. It shall be lawful for the Corporation of the Municipality of Matsqui to borrow upon the credit of the said Corporation from The Canadian Bank of Commerce the sum of \$5,000, in such amounts and at such times as the same may be required, bearing interest at a rate not exceeding 6 per centum per annum.

2. That the moneys so borrowed shall be repayable and repaid on or before the 31st day of December next.

3. That the amount so borrowed shall be a liability payable out of the municipal revenue for the current year.

4. That the form of obligation to be given as an acknowledgment of such liability to the said The Canadian Bank of Commerce shall be a promissory note or notes, as the sums may be required and advanced, signed by the Mayor or Reeve and the Finance Committee and the Clerk of the Corporation, and shall bear the corporate seal, and all of which notes shall be made payable on or before the 31st day of December next.

This by-law may be cited as the "Matsqui Temporary Loan By-law, 1911."

Passed the Municipal Council the 1st day of April, 1911.

Reconsidered, adopted, and finally passed by the Council this 6th day of May, 1911.
